To Whom It May Concern;

Please grant the petition filed to eliminate the forced molting of hens, Docket Number 98P-0203/CP. Greed is not a good reason to starve the hens. You should put a stop to all the factory type of farming. All living creatures should live as they were meant to. Free to roam, at least in a large farm yard. Before the factory farms you heard little about salmonella and E-cola. Now you hear about it all the time.
